Presentation Evening

In January we hosted a dinner for 30 members of Busselton Youth Advisory Council (YAC) at the Beacon men's homeless shelter in Perth. Charmaine did welcome to country followed by 4 presentations including a speech from Andre explaining TSS. He did a great job, good work Andre! YAC presented on some of the work they have been doing including a drugs awareness video called 'Above the Influence YAC' view it on You Tube www.youtube.com/watch?v=PBByU6p9Ui28. We then all sat down together and enjoyed a 3 course meal. Thank you to Bella, Juan and Sunday for also coming and representing TSS. :-)

On Wednesday, January 28th a group of young people and staff took a catamaran boat over to Carnac Island for a day of swimming, snorkelling, kayaking and stand up paddle boarding. They were visited by some furry sea lions; saw dolphins, flying fish, stingrays and an array of other sea life. Some went to explore the caves while others enjoyed the sunshine on the deck while having a BBQ lunch on board. Great day was had by all and looking forward to next years trip!!
